**2026 PROJECT GUIDE**

# A NOTE FROM PASTOR TOM GALBAN

Kingdom Builders is about one thing—building God's Kingdom.

From sending missionaries across the world to serving families right here in Snellville, every gift fuels one mission: reaching people who aren't yet part of God's family.

But this year, the vision grows even bigger. As we launch our Lawrenceville Campus and pursue our five-year strategic plan to reach 1,000 people weekly, we're stepping into a defining season for Evangel. The harvest is ready—across the street, across the city, and across the globe—and God is calling us to go all in.

When we give to Kingdom Builders, we're not just funding projects—we're investing in eternity. Every dollar fuels the Gospel: planting churches, sending missionaries, transforming communities, and building a future filled with hope.

Now is our moment. God is moving. Will you join us? Together, let's build something that will echo in eternity.

The best is yet to come!

# KINGDOM BUILDERS MISSIONS

## So That All May Hear

Jesus Christ said while on earth, "I will build my church and the gates of hell will not prevail."

Kingdom Builders is our way of leading this great commission through a community who faithfully give above and beyond.

This community, open to all, is built of individuals and families that prayerfully commit to give, over and above their tithes, to global missions, local church expansion, and future Christian leaders.

The Bible shows us that Jesus gave all He had to reach the lost, and that there is no greater love than this. He asks us not to hold back in our own sacrifice for the Kingdom.

Everything we do today is about building His church around the world. Nothing can stand in His way and wherever the church is needed most, Kingdom Builders is going to be there.

We give so that everyone can experience new life in Jesus.

## **Global Missions**

Jesus commands us to go into all the world and preach the Gospel, making disciples of all nations. As of November 2023, over 55 missionaries are financially supported by Evangel Community Church. Kingdom Builders also gives us the opportunity to support key missions projects such as providing humanitarian aid, church planting, vehicles, resources, and pastoral development. Everyone, in every nation, deserves a chance to hear the Gospel.

## **Local Church Expansion**

"The local church is the light of the world," Jesus tell us in the Gospel of Matthew. Kingdom Builders is committed to funding the growth of the church locally through expanding our own campuses and ministering to the hurting in our own backyards. We do not do this for comfort, extravagant buildings, or praise, but to help more lost people to personally know a loving, Heavenly Father.

## **Future Christian Leaders**

We are committed to raising up the next generation. They are the church today and the church of the future. Paul wrote in the New Testament to Timothy, a young leader, encouraging him to set the example in speech, conduct, love, faith, and purity. Kingdom Builders raises up our future Christian leaders to foster a love for the Bible, God, and the lost and inspires them to change the world. Our Kingdom Builders partnerships work with organizations that care for the physical and spiritual needs of our future leaders from birth through those beginning their career. We want the next generation to be inspired to serve, give, and love more.
